

## JOY FOR GOUGERS IN MACHOLD STAND SAYS UNTERMYER

End of Lockwood Inquiry  
Would Mean Escape of  
Criminals, He Declares.

Samuel Untermyer, counsel of the Lockwood committee, gave out to-day a telegram he had sent to Senator Lockwood regarding the reported determination of Speaker Machold of the Assembly not to except the Lockwood committee from his policy of doing away with the expensive legislative tribunals now in existence. Mr. Untermyer wired in part:

"If this is intended to include our committee," he wired, "it will be pleasing news to the profiteering land-lords, to the criminal combinations that still remain to be uncovered, as well as to the many whose prosecutions will surely end as soon as this committee goes out of existence, and especially to the high financiers in the insurance companies whose wildcat investments need curbing after being fully exposed."

Mr. Untermyer predicted that the profiteering combinations of material men and contractors which have promised to disband will at once repudiate those promises. He said that unwise radicals in the labor unions would doubtless urge the abandonment of the reforms in their rules which have been promised.

"I suspect," he said, "the interview is not really genuine but is part of the inspired propaganda of the interests which have been giving us such a desperate fight from the beginning."

An abandonment of the committee's programme would also end, Mr. Untermyer said, the constructive plan, already under way, for the immediate erection of low renting apartments by thousands.

He concluded by reminding Senator Lockwood that the savings brought about by disclosures of the committee to the State and city were enormous. On one contract the State saved \$400,000. The city saved millions by the annulment of contracts for the new Court House and for schools. Several times the entire cost of the inquiry has been received by the State in collected fines.

Mr. Untermyer said he had received no compensation and by agreement was paying all clerk hire and many other incidental expenses running up to thousands of dollars.

## M'ALPIN GUEST DYING FROM VERONAL POISON

Well Dressed Victim Says He Is L. F. Edwards of New Orleans. A man describing himself as L. F. Edwards of New Orleans was taken from the McAlpin Hotel to New York Hospital, suffering from veronal poisoning. Two empty vials of the deadly poison were found in his room. There were no papers or any other identifying objects, however, to prove that his

registration on the hotel register was correct.

Detective Dennison, house detective at the McAlpin, said the man came to the McAlpin several days ago carrying two suit cases. He was well dressed and did not act suspiciously. It was discovered to-day that he had no money or valuables of any kind. His condition last night was said to be critical. Detective Dennison described Edwards as about 6 feet tall, smooth shaven, with dark hair and complexion.

## How To Avoid INFLUENZA

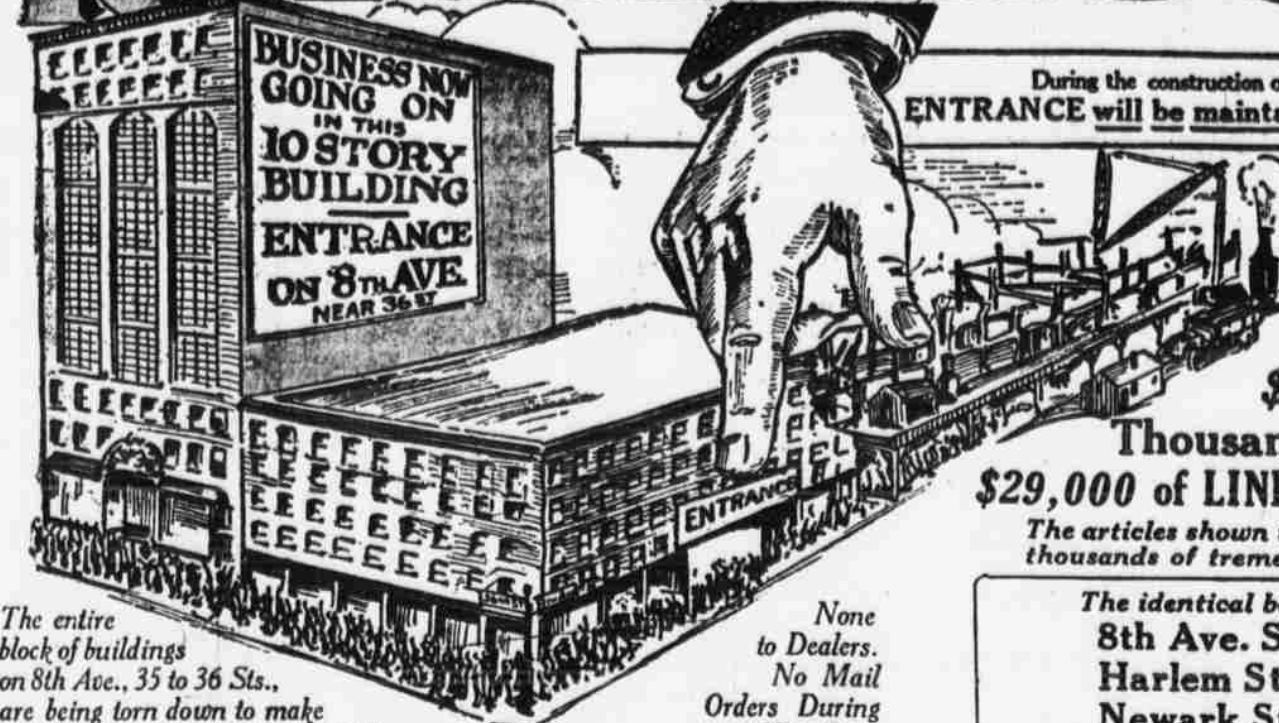

Nothing you can do will so effectively protect you against the Influenza or Grippe epidemic as keeping your organs of digestion and elimination active and your system free from poisonous accumulations. Doctors and health authorities everywhere are warning people of the danger of constipation, and advising, and urging everyone to see that the bowels and other eliminative organs act freely and regularly. Ordinary laxatives, purges and cathartics, salts, oils, calomel and the like, are good enough to clean out the system, but do not strengthen the weakened organs; they do not build up vitality. Why don't you begin right today to overcome constipation and get your system in such shape that you can feel

reasonably sure of resisting disease. You can do so if you will just get a box of Nature's Remedy (NR Tablets) and take one each night for a while.

NR Tablets do much more than merely cause pleasant, easy bowel action. This medicine acts upon the digestive as well as eliminative organs, promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleansing out. This accomplished you will not have to take medicine every day. An occasional NR Tablet will keep your body in condition and you can always feel your best. Sold and recommended by druggists.
